

## St Andrew's Church Friends' Group

***The building work for the church toilet/servery project has started!***

Congratulations to Charlotte and Joe who were married at our church last Saturday. I'm sure you'll join me to wish them every happiness as they start their married life.

Following the joyful wedding celebrations, on Monday 24<sup>th</sup> May, we are pleased to report that the practical building work for the toilet servery project got underway.

The photos on the left show the church on Saturday just before Charlotte and Joe's wedding and on the right, as it is today (Tuesday). The top photos are looking west towards the Tower and the lower photos are looking in the opposite direction towards the Chancel.

What a difference a few days makes!

As you pass the church in the coming weeks, you'll see our contractor Clarke Construction Ltd., hard at work. Give them a cheery wave ... they have made a great start and expect to be finished in August.

***We have been inspired and encouraged by your continued generous giving to help reach our target of almost £100,000. That's truly amazing. Thank you.***

***We still have a little way to go to meet our target and to meet the running costs of the building. To that end, you'll have seen our invitation to the garden party, BBQ and raffle at Molecey Estate on Sunday 30<sup>th</sup> May from 2-5pm. The forecast is good so please come along to meet friends and support fund-raising for the project.***

***Please contact Colin for further details.***

# Reminders

## New Members

Please let friends and neighbours know about the West Deeping Friends' Group. New members are always welcome - Application Forms (to comply with data privacy) can be obtained from Gareth Williams, Andrew Bowman or Colin Blagrove who are coordinating Friends' Group activities. Our charter is on the new West Deeping Parish website at [West Deeping Friends' Group](#).

## Foodbank Donations

Thank you if you have donated to Deepings Foodbank using the box outside Howard & Janet's house. [Please continue to donate](#), Seán is organizing regular runs to make sure your donations are received.

## Project Donations

As a reminder, if you would like to donate to the church toilet/servery project, please use the link:
