

WEST DEEPING QUARRY COMMITTEE

Following discussions at last week's Parish Council Meeting, a committee has been set up to monitor, review and keep the village informed about all quarry planning applications and proposals which affect our residents and co-ordinate our objections to these.

The committee is independent of the Parish Council but it will include a parish councillor in order that smooth communications exist between each other.

The current members of the committee are :-

Lisa Blackmore
Graham Magee
Glenn Fuller
Maggie Ashcroft
Simon Gallon
Glenn Roberts
Cllr Gareth Williams

For more information, please contact Lisa Blackmore at lisablackmore@btinternet.com
