## **South Kesteven District Council - Local Development Scheme 2023-2026**

Dear Parish Clerk/Chair,

The 2004 Planning and Compulsory Purchase Act places a statutory duty on councils to outline, within a Local Development Scheme, which documents will form part of the Council's Local Plan, and the timetable for plan preparation. Local Development Schemes must be kept up to date; and revised to reflect any anticipated slippage in Local Plan production.

The [South Kesteven Local Plan](#) adopted in January 2020 commits the Council to undertake an early review of the Local Plan. Due to impending changes to the National Planning Policy Framework consultation on the Draft Local Plan has been delayed. It is important that the Council keeps local communities and interested parties updated with the progress of the Local Plan review. The South Kesteven Local Development Scheme has been revised to ensure that the timetable for the Local Plan review is realistic and achievable.

The revised Local Development Scheme (2023-2026) was approved at Cabinet on 30 May 2023 and can be found on the Council's website at the link below

The next stage of consultation will be on a draft version of the Local Plan in Winter 2023. To find out more about the Local Plan review please visit the above webpage.

Yours Sincerely,

### **Planning Policy Team**
