

Patient Participation Group

The Deepings Practice has a well-established and valued Patient Participation Group (PPG) who meet regularly within the Practice and members are keen to receive suggestions from patients.

The group discuss items of mutual interest to the practice and patients, have formed a Voluntary Drivers Scheme and maintain a positive, effective link between the Practice and its patients, ensuring the Practice remains accountable and responsive to patients' needs.

The aim of the PPG is to liaise with patients and Practice staff in all aspects of health care and they represent all parishes within the Practice area.

If you wish to contact the PPG, you can send an email to reception.deepingspractice@nhs.net containing your name, best contact details, comments and consent for your information to be passed to the PPG. Alternatively you can complete one of the forms next to the PPG board in the reception areas at Ginton and Deeping.
