Dear Ian Coles and fellow Councillors of West Deeping Parish Council,

Ref: 8401189

Thank you for your recent correspondence received on 6th December 2023.

We note your dissatisfaction with our response and consequent outcome in relation to planning applications PL/0129/22 and PL/0130/22. Unfortunately, we will be conducting no further review into this matter due to the reasons previously outlined in our correspondence to you dated 28th November 2023. Therefore, as previously stated, if you consider that these matters were not explained or dealt with in sufficient detail, you are able to lodge a request for a Judicial Review of our decision. If you do wish to pursue this matter, then please note that this request must be raised within six weeks of the date of the decision.

Yours faithfully,

Ella
