11 The Lane  
West Deeping  
Peterborough  
PE6 9HS

Tel: 07979 906284

Clerk to the Council  
Mr Ian Coles

14<sup>th</sup> December 2023

Dear Ms Barnes & Cllr Hill,

**Planning Applications : PL/0129/22 & PL/0130/22 / Mineral Extraction in West Deeping Area**

Following our letter of 21<sup>st</sup> November 2023 and e-mail correspondence to you both of 6<sup>th</sup> December 2023, we have been advised by Ella in your Customer Relations Team that you are not prepared to address our concerns and that if we wish to pursue this further, we should lodge a request for a Judicial Review within 6 weeks of your decision to grant planning, i.e. 18<sup>th</sup> December 2023.

We have considered this option but we do not feel that this should be done in isolation for the above planning applications but must reflect the cumulative effect of all related mineral extractions in and around our village and the impact it has on the quality of life for our community. We do not consider that this purely relates to planning matters but to the overall health and safety of our residents. Consequently, we reserve the right to request a Judicial Review in the future when we are aware of the full extent of future mineral extraction plans which affect us.

Yours sincerely

Ian Coles  
Parish Clerk  
On behalf of the councillors of West Deeping Parish Council
