to Glenn, me

Dear Glenn,

I'd like to thank West Deeping Parish Council for inviting Breedon to attend the Annual meeting on the 13th May 2024.

Unfortunately, we will not be in a position to present the type of information you're seeking on the pending planning application by the 10th or 13th May. We respectfully decline your invitation on this occasion.

A suite of public engagement events will be available to local communities, both in person and online, during the first two weeks of June and we hope as many people as possible take this opportunity to share their views with us on the draft schemes presented to them. The feedback received during the online and in-person events will be considered and, where possible, incorporated into the final version of the application prior to submission to Lincolnshire County Council. Further information on all public events will be shared with the various local communities in the coming weeks.

In addition to the above, I will be seeking to arrange an Extraordinary Meeting of the West Deeping Quarries Liaison Group via Teams – this will be held during the week beginning 20th May.

Kind regards,

Maria
