TO THE CLERK OF THE PARISH COUNCIL

Dear Sir/ Madam

On behalf of Deepings Practice, the Deepings PPG formally invites you to send a maximum of TWO representatives to a Question-and-Answer Forum on Wednesday September 4th from 12.30 pm until 2pm.

The venue is The Meeting Room at Deepings Practice on Godsey Lane Market Deeping.

The invitation is being sent to all 18 Parish Councils that are in the catchment of The Deepings Practice, so as you can imagine, space is limited. In order that the meeting runs smoothly and to time, please will you submit only one **primary** question from each council?

Your question (s) must be received by Thursday August 22nd. This will give the partners time to read and formulate a reply.

If you send more than one question then you may not get a response in the time allowed. Please submit your question(s) to the email address above by Thursday August 22nd.

The meeting will be attended by Dr Phipps and Dr Wade from the Practice, Mrs Tracy Bartle, Practice Manager, Mrs Claire Clark Deputy Practice Manager and members of the PPG. It will be overseen by the Chair of the PPG.

Many thanks for your cooperation in this matter.

Yours Sincerely

Sandra Jones
