BE DESTROYING OUR VILLAGE

WEWON

Proposed quarry sites SG17 and SG11 have been discounted from Lincolnshire's plans for new open-cast mines.

The immediate threat of 40 years of new mining in West Deeping Parish has been stopped and when the Breedon and Cemex mines close next year we will be free of active mining in the parish for the first time in over 75 years.

The bells of St. Andrew's church will ring out at 6pm on Friday in celebration.

Please join us afterwards as we gather together to celebrate at the pub.
