

WEST DEEPING ANNUAL PARISH MEETING

Monday 21st June 2021 at 7 p.m.

in the Village Hall

Following the proposed change in Government regulations as we move out of lockdown, our Annual Parish Meeting is scheduled to be held in the Village Hall on the above date.*

The purpose of the Annual Parish Meeting is to provide a platform for all of our residents to express their views and raise any matters which they would like councillors to consider and to deal with.

There will be no strict agenda but the matters we intend to cover include:-

Waste Water Management – representatives from Anglian Water are expected to be present
Children's Playground
Expansion of Tallington Lakes
Cemetery Gates
Bus Shelter

Residents can raise any other matters they wish to during the meeting or can raise them in advance by contacting Ian Coles, Parish Clerk at wdparishclerk@gmail.com or by telephone – 07979 906284.

Some parish councils only allow residents to participate at their Annual Parish Meeting but we have always had an 'open door' policy and allow any matters to be raised at all our Parish Council Meetings throughout the year. We have recently introduced an 'Open Forum' item at the start of the agenda of all our meetings, specifically for this purpose so, if you are unable to attend this Meeting, you will have further opportunities to mention any concerns that you have to us.

The Chairman of the Parish Council (currently Cllr David Ward) will chair the Annual Parish Meeting and all other parish councillors are expected to be present.

Everybody is welcome and we encourage you to join us and hope that you will participate in this Meeting. We place great importance on making sure you are aware of what we do and hope that you will let us know if there is anything that you think we should be dealing with on behalf of the village.

We look forward to seeing you.

*If the Government announce additional regulations prior to the meeting which prevent, or significantly, restrict residents attending this meeting, it **may** need to be rescheduled.
