March 2020

Dear Cllr Blagrove

Firstly, thank you for inviting me to meet with the Parish Council to discuss a number of issues of concern in West Deeping.

The information which was provided during the meeting was most useful and I am keen to work with the Parish Council to address these important issues. To this end, I have written to the Chief Executive of Lincolnshire County Council to ask for an update on the waste management and sewerage system problem following a site visit by one of her Officers in October. I have also asked for the latest information on the possibility of a bridge over Tallington crossing.

In addition, I have written to the Chief Executive of Anglian Water and South Kesteven District Council. In particular, with regard to the Tallington Lakes leisure complex.

I shall, of course, ensure copies of the replies I receive are sent directly to you.

Yours sincerely,
